Pasowania na Świetliczaka

The page is framed by a decorative border of autumn-themed illustrations. At the top left is a large yellow leaf with red and orange swirl patterns. To its right are several smaller leaves in shades of green, yellow, and orange. On the right side, there is a green, spiky, circular object resembling a seed pod or a small monster. Along the left edge, there are two mushrooms: one with a brown cap and white spots, and another with a purple cap. Below these are two more leaves, one orange and one yellow. At the bottom left is a large, stylized owl with a brown and orange body and large yellow eyes. Next to it is a mushroom with an orange cap and white gills. To the right of the mushroom is a purple hedgehog. At the bottom right is a red mushroom with white spots and a green stem. In the bottom right corner, there is a small logo for 'Koprowy.com' featuring a cartoon character.
